Royal Role Model

Royal International Miss is proud of our Role Model Program. It was designed to encourage and recognize community service and giving back. We have restructured how the state role models are selected. This year it will be entered as an optional competition for those interested in competing in this competition next July at our International pageant.

You will need to bring a resume of community service activities you have been active in. You will also have an additional panel interview about why community service is important to you.

If you are crowned, you will compete for Role Model at the International pageant.

What Is Expected If I Win?

Royal International Miss is a title NOT a crown. We want you to use your title throughout the year. Get involved in community service! If you are crowned with any of our titles at State you are expected to then go on to compete at the International Pageant in Orlando Florida on July 6-13, 2024. We may crown up to 2 winners in each age (State Title and Nickname State Title.) We may also award 4 State Role Model Titles in Princess/Sweetheart, Pre-Teen/Jr. Teen, Teen/Miss and Ms. The cost for Internationals is \$395 for Entry Fee, and \$800 for the Ad Page/Scholarship Fee. (This will be paid in four, \$200 monthly installments.) If you win one of our state titles you receive the following discount for Internationals.

State Title Winner (\$395 off Entry Fee)

Nickname State (\$345 off Entry Fee)

State Role Model (\$345 off Entry Fee)
